Introduction

AHH in conjunction with IBS provides for a professional experience in project managing your new or existing Sage Evolution system. In analysing your current operations your system will be customized in such a manner giving you a unique experience providing you with critical information required to run your business optimally.

We are Authorised Sage Evolution Business Partners for Sage Pastel through AHH Financial Services working in a joint venture relationship with the IBS Group. This means that we not only sell Sage Pastel software packages (with the focus on Sage Evolution), but also install, setup, train and support them.

Our team of professional consultants also develop professional reports extracting data from Sage Evolution to limit the manual re-capturing of Daily, Weekly or Monthly Reports produced in Excel (using the BIC (Sage Intelligence Reporting) module).
